Acceptance requirements. Three copies should be sent in the first instance to one of the editors familiar with the subject. Submission of a paper implies acceptance of the following four conditions:
(1) the paper reports unpublished work;
(2) the paper is not being submitted to any other journal;
(3) you are fully authorised to submit the material for publication;
(4) if accepted, the paper will not be republished without the consent of the publishers. The editors' decision is final.
